

pre-fab room

a pre-fab stand-alone solution

Introducing a quick solution with lasting results. Our stand-alone rooms offer retailers a simple, attractive space that can be used throughout your store footprint. Get rid of the chaos and make a more convenient pop-up space for storage, customer service, or even offices with our Pre-fab Rooms.

benefits of PRE-FAB ROOM

display + pick-up + storage

- + define feature space, pop-up, or store within a store
- + maintain fixture consistency for all store locations
- + increase the efficiency of existing floor plans
- + designate area for product pick-up
- + provide navigation for customers
- + showcase specialty products
- + secure product storage
- + uses modular components
- + simplify installs

Returns and pickups are easier and safer to manage. Elevate your brand with organized customer fronts that feature dedicated displays, offer secure storage, and promote customer interaction.
